Allocated costs and fixed costs that will not be retained are irrelevant to the decision to close. 11-12 "Cost is written off as ... (give an example)".
Example: the cost of raw materials that were used in a process but were not sold or sold, or the costs of raw materials that were used to produce a product but were not sold. Example: the cost of materials that were used in the course of the enterprise's activities, but were never sold, or the cost of materials that were used to produce products, but were not sold.
