

LIGHTWAVE IC100 WEB CAMERA Driver

July 19, 2009 a€” I received my webcam without any software. My hardware ID is VID_093A&PID_2468\\5&33D83D18&0&2. I tried to use drivers for Lightwave .NET but couldn't, so I went to the website Microsoft and uploaded Lightwave .NET Driver for Windows .exe for Lightwave .NET . I installed Lightwave .NET and it worked well, but when I tried to download webcam video, it doesn't work. I have tried the following: 1) I have a program which I installed as shown below. I opened the program and used the "videoinfo" command in "Netscape" as an editor. I tried to use the "info" command from Lightwave.NET, but it didn't work.
