
DarkAura Format Icons Crack Free Download [Mac/Win]

DarkAura Format Icons Crack Free Download PC/Windows (Updated 2022)

===== A set of 300 beautiful, crystal-clear icons that you can use and enjoy on your desktop, website and many more places online. The themes and colors for each icon were specially selected and balanced so they will blend well together, and you will be able to enjoy them together, as well as have the freedom to use them separately or on their own. Icons are included in PNG format, you can use them in any software or online media, as well as in your desktop, website, and apps. This pack includes only the icons and not the accompanying theme. You will have to obtain the theme separately. Icon Pack contains: ===== 300+ Icon Sets 32+ Color Themes (Not Included) Icons in ICO and PNG format. Spartan Seven is a collection of 40 unique wallpapers with a slight spartan theme. Each image is accompanied by a very short text description of the theme. This set is perfectly designed for HD monitors and it would be a good choice for those who are looking for a full graphic design work without having to spend much time and a lot of money. The pack comes in three main colors: black, white, and silver. All wallpapers are also in 5 different sizes, from 1000x1000px to 2000x2000px. This pack is ideal for desktop use and it can also be used in your blogs. A full package of just these wallpapers, when accompanied by the matching font, will be a good looking and useful collection for the user. The font is included in the pack so there is no need to purchase a separate license. You can use the wallpapers in all of your projects. TeamSpirit Style is a set of 47 high-quality icons with a bright design and high-resolution PNG format. The icons come in 3 colors: black, white, and light blue. The icons are handcrafted by amateurs for graphic design projects, and come in both ICO and PNG format. DarkAura Format Icons

-This is a color and ICO file folder icon pack -This is a royalty-free icon pack (for personal, non-profit or commercial use)
-This is NOT a pixel-perfect icon pack -This icon pack is well-crafted and carefully designed (by me, DarkAura) -This icon pack has 35 icons included in 3x sizes and 2x file formats -The preview images are of the exact size of the icons (thanks to theming) -If you are running Windows 7 and have compatibility issues (like not being able to click on the links to the previews), please consider opening your default web browser (usually Internet Explorer, in Windows 7) and "expanding" the folder "DarkAura Format Icons" to a "folder in the favorites list". In Windows 7, you have to go to the folder and open it, not click on the title and open it. -If you like the icon pack, please do enjoy it. You can click on the green heart icon below the preview images to donate a single dollar to help with the development of the rest of my projects. -Visit my website for more downloads at: www.darkaura.com -To find me on Twitter, go to -Please do "Like" my Facebook page at: -Find me on Google Plus at: -Please do leave a review on ThemeForest at: -Do subscribe to my YouTube channel at: -Do join my Discord server at: -Do share the icons you love at: A pixellated icon pack to cover all possible screens published:17 Oct 2017 A pixellated icon pack to cover all possible screens A pixellated icon pack to cover all possible screens published:17 Oct 2017 views:

What's New in the DarkAura Format Icons?

What you will get in this product: 1266 vector images in two file formats, ICO and PNG Full set of vectors in three source formats, CS4, Adobe Illustrator and Photoshop Hi-res PNG, EPS, PDF and JPG files Clean, clear and detailed vector art in standard and condensed versions Excellent image quality with high resolution Vector based illustrations optimized for retina displays and HiDPI devices Well-formed and aligned vector objects for maximum compatibility No watermarks No licensing restrictions Nice B&W and colored versions No registration required. You can use them in all software you're already using without any additional actions, but also you can easily integrate them into your existing web and print projects using some Adobe Illustrator CC, Adobe InDesign CC, Adobe FrameMaker CC, Adobe Flash Professional CC, Adobe Acrobat Professional CC or any other software you are using. The collection also includes 1266 creative assets, 5008 guides, 1000 fonts, 641 copyright and license information, 3D content and 2000 icons. This icon set is carefully crafted by our team of skilled designers and developers to be compatible with different software, and it's the perfect one for building stunning websites, apps, documentation and all sorts of printed media. The pack also includes additional content such as: 1000 icons including 838 icons, 159 artworks and 2 vectors in 4 versions: 3000 icons in 24 icon packs; 5131 icons in 22 icon packs; 2226 icons in 16 icon packs; 2998 icons in 12 icon packs; 2500 icons in 16 icon packs; 2795 icons in 12 icon packs. The set was developed to be compatible with Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe FrameMaker and any other design software you might be using. *Note: *These tools allow you to quickly modify your images into new ones or combine them to get the result you want, but make sure that your original photos are in a standard format. If you have any questions about how to achieve the desired effect, please contact us. *Please note: *Due to the nature of the industry, we cannot guarantee that all the content included in the pack will be absolutely free. That said, we will do our best to remove any image or icon that we consider to be copyrighted and/or trademarked. *All assets in this collection are provided in the public domain. What is DarkAura Format Icons? This icon set is made in a web-ready and retina ready format that allows you to use them right in your projects. The format includes: 1266 vector images in two file formats, ICO and PNG The icons have been carefully crafted to include
