CorelDRAW Graphics Suite X4 Professional 2016 Serial KeyGen.In Vietnam, tensions have risen again between Hanoi and Washington since the nuclear crisis with Pyongyang unfolded. The spokesman for the Vietnamese Department of Foreign Affairs, Le Hai Binh, wrote on his Facebook page that the warnings had been issued by the US, but had gone unheeded. "As already announced by the US, the United States has issued warning messages to Vietnam to leave the site of the Vietnamese port in Haiphong and warned it would not allow the passage of Vietnamese ships through the Gulf of Tonkin," Binh said, quoted by Reuters. "The United States, instead, has sent planes to drop bombs on Da Nang, but we respect that they have the right to defend themselves." Earlier this week the US warned Hanoi that it would close the Gulf of Tonkin to all naval traffic, even humanitarian vessels and oil tankers. "As of June 22, 2018, the United States government will close the Gulf of Tonkin to all naval traffic, including but not limited to vessels carrying oil, petroleum, LNG, gas, or any other product." Read more Washington has said the decision was taken after the North Korean crisis, and that it could be changed if "diplomacy is successful" and no new provocations take place. However, Vietnam has accused Washington of sending the message in order to distract and deflate the efforts of both Pyongyang and Hanoi, Reuters reported. The move
