[Game5][2016.10.24] ※(From Game5) ※ ※ About Tarnished We are a secretive group of Elden Lords who have been guarding the Gateway to the Lands Between for countless years. Many of our members have fallen and been stained by the crimson color of our so-called power. A long time ago, one of our members, Gandel, released a prophecy which stated that he would return to the Lands Between and that a new era will start. Thus, in order to preserve this prophecy and prevent the rise of the Fallen Lord, those of us who had not been tainted decided to create a new Cracked Elden Ring With Keygen. We are at the root of the prophecy and nothing should trouble our existence. We have been working on developing a new fantasy action RPG, and we hope you look forward to the release. As we are a small group, we cannot fully reveal the story which we have been developing. However, we would like to give you some information, and we hope you can look forward to the release.
