Forbes releases list of "The World's Billionaires" again. Forbes uses a modified  
version of the Forbes Wealth List as well as added data from the World  
Wealth Report. Based on public sources, Forbes determined the total  
list of people in the world with a net worth of more than \$1 billion as of  
Dec. 10. The list includes more than 1,600 billionaires with a combined

net worth of more than \$5 trillion, or 41 times the combined net worth of the poorest half of the world population in 2010. Forbes returns to do their list again. This list is based on a list of individuals with a net worth above \$1 billion, a value based on publicly available information. This total net worth is divided into three tiers, with \$1-3 billion being "tier I," \$3-6 billion being "tier II" and \$6 billion and above being "tier III." Forbes Releases 2016 Billionaire List According to Forbes' 2016 list of The World's Billionaires, there were 1,630 individuals with a net worth of more than \$1 billion. The most notable and wealthiest in the world for the eighth straight year is Bill Gates of Microsoft, now worth \$86 billion. His net worth is up \$25 billion in the past year. Tom Steyer, the American hedge fund manager, now ranks second in the world with a net worth of \$46 billion. In 2015 he increased his net worth by \$20 billion and has \$40 billion of his wealth tied up in renewable energy investments. Jeff Bezos of Amazon.com is now worth a record \$111 billion, having also gained \$20 billion in the past year. His net worth is now at \$76 billion, the most ever held by a person. Facebook co-founder Mark Zuckerberg, now
