In FIFA, your every touch, pass and goal decides who wins. With millions of players, an all-new gameplay engine, next generation ball physics, and EA SPORTS Football Intelligence, FIFA simulates how teams perform in a real-world match. Whether you're cheering on your favorite team with the new Teal Touch control system, or taking on EA SPORTS™ Pro Clubs in competition, FIFA gives you the control to win. • Authentic New Engine.

FIFA's new engine uses many modern video game design techniques, including physically-based rendering and new lighting technologies, for incredibly realistic gameplay. • Enhanced Tackling. New engine features allow for greater realism on tackles, and the ball's behaviour is more accurately modeled through new collision dynamics. • Pro Clubs. For the first time, available in a club-based mode, Pro Clubs lets you and your friends compete against your favourite teams. • New Players. As players take on new responsibilities, they're more important than ever - and now you can build your own Ultimate Team to assemble the perfect squad. • Brand new Hope Fever Moments. Set in exotic locations, and open to all modes, Hope Fever Moments are action-packed, career-defining moments that take place in the heat of battle. • Play as History. Now you can compete in the World Cup as some of football's biggest superstars of the past, including Pele, Diego Maradona, Ronaldo and more. • Ultimate Team. Choose from

10 additional, iconic players and compete with your mates in open challenges, to build a complete squad of the world's greatest superstars. • Skill Moves. For the first time, players can gain these unique moves by performing skills in-game. • Tactical Defending. Defending is more tactical with improved defending controls, and skill moves can now be applied against the ball or an opponent. • New Commentary. The extended commentary team of the English Premier League, including Gary Neville, Richard Keys, and goal callers Martin Tyler, Ray Houghton and Martin Keown has been brought to FIFA. FIFA 22™ - Get ready for football that's never been closer to real life. FIFA 22 features: What's New NEW FEATURES * Hope Fever Moments * Brand new skill moves that let you perform skill moves only in-game
