Talk about gruesome and/or morbid. Though, if you ever had to deal with someone's corpse spilling down a staircase...yikes... No kidding. How would someone dispose of a dead body to keep from having it around? In my apartment complex, people have to regularly give blood samples, and the nurses will sometimes forget to take them with them. Unless they were also killed, they're usually just laid on the counter. Re: How many cups does it take to drown a dead girl? Re: How many cups does it take to drown a dead girl? It could be that your building is cleaned weekly and they clean the carpet as well. They do not, no.

Read at your own risk! Orphan Black — the uber-hyped BBC America series — is a terrific show. I have been re-watching the first three seasons with a supportive group of friends. I suspect that even the most casual fan would be very hard-pressed to tell you exactly what the story is about. While the episodes go in leaps and bounds in telling more of the backstories and personal motivations of the cast of clones, there are plenty of times when it seems that one clone or another is simply being introduced. (Seriously, if you love the show, you really need to
