**Gunslugs** is the must have game in this FPS World. The Gunslugs battle matches go by so fast it's almost like you are in a movie. Gunslugs is a 3D first person shooter with x-ray technology. Controlling your Gunslugs you must take out the guys in the factory with the biggest gun in the game. Each of the bullets for the guys can be fully customized, such as setting the caliber, hardness, and weight of the bullet. You play for survival in Gunslugs and must adapt to the ever-changing environment.

**Gunslugs** is not only an awesome game, it's a truly original one. This isn't just a clone of another game, but a totally different concept.
