

Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. The Elder Scrolls Online v1.4 is here! Is this the last major updates we will see for the game? Will there be an endgame? What are the most exciting improvements? Our goal here is to become better each day and make the game the best it can be. Here you'll find all the recent news, latest discussions and a lot of insight, to help you understand what's the current state of TESO. Also, you can join our discord community: With the recent release of The Elder Scrolls Online, many issues have been raised over the game's server stability, lag issues, balancing issues, balance changes, and much more. In this video, we will look over the pros and cons on both the MMO landscape and the gaming industry in general. What are MMOs, what are their pros, what are their cons and much more.
