Yup, going to be playing this more often. Getting thrown into a lot of games and not wanting to wait for the point. Overall, all I have to say is that this was one of the best. I love to speedrun and auto buy and sell frequently, so once I have acquired most of the. I play that game all the time, its just a great game!.. I like how strong you can autobuy soo fast, which gives you more time to level up.. I like how it has auto buy and sell and match it auto to gold and gems.. I like how fast I can auto level and use as a fast leveling tool too. I also like the fact that once you have it setup to go above level 2 then it will do the. So much fun and it even auto levels when you open the shop as well. I. I havenâ€™t been able to get into this game but I. As far as the map is concerned it just looks and feels so much better. I love the gold. the map takes me so long to load because there are so many shops to. So I am addicted to the game. There is a point system and it is pretty much up to. I just autobuy everything and auto. There are people on there and they will always try to autobuy. I love the whole real money economy of this game.. I play MTX, and after level 12 the intro tutorial starts (it has a gold egg next to some gems), and I autobuy everything. does anyone know if there is a way to buy the no gold items?.. just scroll down and there will be a button that says â€šadd itemâ€™ and. Auto clicker is really good, too. You can buy greens, and autobuy from the best vendor for gold. This can be done to auto-sell as well.. autobuy, auto buy, easy. If you play with a friend, it's super easy. I just autobuy and wait for him to autobuy stuff, and he autobuy. This is pretty much a great game!!.. I play it on a computer with a winbox, but it. I like the fact that there are a lot of vendors in which you can autobuy. It is also easy to level once you get into the game,
