Posted by:Ajay Prabhu Sat Jul 2 21, 2015 @ 07:03AM. . This is gonna be a short update because I'm going to be away this weekend. Anyhow, I've been working on a couple sketches and I'll finally be able to put them up here! If you want to see the regular sized versions you should see them on my tumblr page. - I got to see 2/3rd of what I drew on paper! No colouring was done for these, so they are just roughly put together. The one with the hat on top of the building is probably the best thing I have ever done. I'm kinda proud of that one. I don't think I've ever drawn something I'm actually proud of. At least, not of myself. - That being said I'm still working on 2 more sketches. One is of a Lion and another is of a Wood Lion. The thought of drawing this old grey beast is making me a wee bit nervous. I'm not sure what kind of mistakes I'll be making. However, I have faith in myself to draw the lines right. They're not too small, they're not too big either! In my opinion the lines 6d1f23a050
