Have you ever wanted to create your own virtual serial port without the need for installing a complex piece of software? "Soup with meat" - this is the message of the summer exhibition of BIKFOTO. During the exhibition you can see the best "friedish" for a summer lunch. The choice is for either "stew" or "soup". The exhibition is organised by the Swiss Food Association within the framework of its promotional campaign "SOUP WITH MEAT". The exhibitors have prepared unique dishes combining best Swiss products with excitingly different ingredients like salmon, mussels or vegetables such as asparagus, Swiss chard, cress and leeks. Even the tasty traditional Swiss "brod" - thick bread - has got a new zing with ingredients such as cheese and ham. During the exhibition, you will be able to try this delicious and healthy combination of flavours for yourself. This year is the 13th anniversary of the Swiss Food Festival in BIKFOTO. The exhibition is one of the co-sponsors of this event. BIKFOTO is organized by the Swiss Food Association. The Swiss Food Festival is organized by its partnership, the Swiss Retail Federation, the Swiss Market Information Office, the Swiss Associations of Food and Food Manufacture, the Federal Office of Public Health, the Swiss Food Industry Association and the Ministry for Economic Affairs. More information about the Swiss Food Festival on www.vimschweizer.ch. Because our scores are so accurate, you know you are getting a quality rig that you can rely on. More information and additional pictures are available by clicking on the tabs below. The dashboard of any vehicle is a reflection of its owner's priorities. This should make the Google Chromecast much more useful than a Honda Jazz. It's free to use and you can keep your premium package subscriptions. One of the many features of the streamer is its ability to play audio and video. You can add YouTube videos to the system. They automatically fill the entire screen. It's 6d1f23a050
