From the Bad to the Good ! This is the
book, The Game of Life and How to Play
It, 2nd, Boston, Philips, 1863-1889, by
Alfred A. Loisy and William Bennett. This
is the actual book you want, rather than
whatever version I have up on my
bookshelf, which I can't even read. It's in
paper, it's 925 pages long and it's
\$27.99 on Amazon. I want you to see it,
see how beautifully it's bound, and see
how it's laid out. And also, I want you to
feel that same warm and fuzzy feeling I
feel when I open that book. nokia best
