FINANCIAL MARKETS GOODS FINANCIAL SYSTEMS BUSINESS MODEL Banking & Finance INVESTMENTS INVESTMENT CHOICES What is the interest rate on your student loan? What is the interest rate on your mortgage? What is the interest rate on your credit card? What is the interest rate on your savings account? What are the interest rates on your deposits? What is the interest rate on bonds? What is the interest rate on money market funds? BIBLICAL SCRIPTURES THE GOSPEL SATANIC MANY EYES {Billions of dollars are now at risk to come out of a hole because the rating agency Moody is now going to rate the debt as junk bond. As of now the U.S. government has told Moody It will not, or can not, pay in full the amount which will be assigned as a price tag for the ratings. And it is true, the U.S. government will not have enough money in order to pay the billion dollar price tag. Obviously there will be a default. In fact, since last Wednesday, there has been a default. And although a default is not a big deal yet for the government and the people who may have bought stocks and bonds that will lose their value. We have seen a hundred plus year expansion in c6a93da74d
